

What to do with your Ford Money

On August 15 every Ford owner who purchased a car in accordance with the terms of Henry Ford's profit sharing offer, will receive a check for \$50. The question as how to apply this money to the best possible advantage is solved in the following advertisements. It is decidedly to your interest to read each one carefully—never before has so great a purchasing power been possessed by so small a sum of money!

For the protection and benefit of our patrons we are issuing coupon books worth \$55 in the purchase of accessories, supplies, repairs, or gasoline for \$50.

200 of these books only will be issued—the coupons to be good until used.

Our patrons are respectfully advised to take advantage of this offer.
